She's baaaack! Brutally honest dating guru Patti Stanger returns for season eight of this fun guilty pleasure series — and she's stacking her client roster with recognizable faces. Looking for love in the premiere? Shy guy and former Anna Nicole Smith paramour Larry Birkhead. Seven years after the model's death, the couple's daughter, Dannielynn, is urging Daddy to get back on the market. Patti does more than urge: She gives him a swift kick of the stiletto! **KAREN AANONSEN**

DEC. 7, 9 P.M., LIFETIME

Based on the best-selling novel by Anita Diamant, this two-night miniseries tells the story of the Old Testament through the eyes of Dinah (Rebecca Ferguson), the daughter of Leah (Minnie Driver) and Jacob (Iain Glen). It drags at times, but captivating performances by the cast (including *Homeland*'s Morena Baccarin and legend Debra Winger) make it worth watching. **EVAN REAL**
