The upcoming season of Bravo's "[Millionaire Matchmaker](#)" is casting a wide net for talent.

Former [Anna Nicole Smith](#) flame [Larry Birkhead](#) will star in the first new episode on Sunday. And another Bravo star, [Jill Zarin](#), will throw her daughter Ally into the dating pool for matchmaker [Patti Stanger](#) to fix up.

Ally, 22, is the youngest person to ever appear on the show.

Ally told us of Stanger, "She's my godmother, and she's been dying forever to set me

up.”

She added, “We wanted to show everyone what it’s like to date after college ... College dating anywhere is really hard, no one is in the mind-set to have a relationship. They just want to date around, so I think we all need to be retrained by Patti.”
