Stanger is shaking things up this season with fresh methods, a new team and dozens of celebrities appearing as daters, experts and Patti's co-conspirators.

"I have worked with celebs off camera for years," Stanger said. "I'm so excited to pull back the curtain and show viewers that the Hollywood elite want love just like we do!"

And it seems like Stanger's new methods, along with her dream team of new and returning faces like David Cruz as her Director of Matchmaking with new staffer Candace Smith as the Director of Recruiting, are going to be successful, since her guidance leads to a surprise on-screen proposal! Will Stanger get this couple, along with all her other clients, to the altar? Or will it all just lead to a few sexy hookups?

Find out when *The Millionaire Matchmaker* premieres Sunday, December 7 at 9 p.m. on Bravo.
